EXPERIENCE

Info Web Software Technology Pvt.Ltd

Haldwani, Nainital

Frontend Design & Development

1 June 2025 -1 August 2025

- Learned **HTML, CSS, JavaScript, and Bootstrap** to design and develop responsive and user-friendly web pages.
- Worked on **front-end development**, including website layout design, debugging, and improving responsiveness.

PROJECTS

Hotel Green Palace Web (Frontend)

- Developed a **Hotel Management Website** using HTML and CSS for online room booking.

E-commerce (Frontend)

- Developed a responsive E-Commerce website using React.js and Tailwind CSS with modern and reusable UI components.
- Implemented product listing, cart functionality, and seamless navigation to enhance user experience.

StayFinder (MERN)

- Built a responsive StayFinder application using the MERN stack for hotel and stay discovery.
- Designed an intuitive UI with search and navigation features for a smooth user experience.
